A personal spa with room for two is an apt description for the Bella MS. As empty nesters lose their need for large expensive spas, their love of hot tubbing finds new energy with this "two-seater!" Designed to mimic a therapy spa in the Training Room, we added a second seat for practicality. It's nice to share! The Bella's foot print allows for plug and play applications indoors or out. Our *DTS™ allows for strong back massage or whirlpool applications with the turn of a dial. The depth of the Bella MS allows for full soothing immersion and superb therapy. Whether seeking quality time alone or an intimate encounter with someone special, the Bella's beauty and design guarantees satisfaction. Renew romance and rediscover pleasure in the Nordic Bella MS.
